445 AIRLIFT WING
WRIGHT PATTERSON AIR FORCE BASE**

MEMORANDUM FOR 2ND LT MICHAEL J. POFFENBARGER

FROM: 445 OSS/CC

SUBJECT: Order to Receive Mandatory COVID-19 Vaccine

References: (a) Secretary of Defense, *Mandatory Coronavirus Disease 2019 Vaccination of Department of Defense Service Members* (24 August 2021)
(b) Secretary of the Air Force, *Mandatory Coronavirus Disease 2019 Vaccination of Department of the Air Force Military Members* (3 September 2021)
(c) AFI 48-110_IP, *Immunizations and Chemoprophylaxis for the Prevention of Infectious Diseases* (16 February 2018)

1. On 24 August 2021, the Secretary of Defense issued a mandate for all members of the Armed Forces under DoD authority on active duty or in the Ready Reserve, including the National Guard, to receive the COVID-19 vaccine (Reference (a)). Subsequently, on 3 September 2021, the Department of the Air Force issued additional guidance (Reference (b)).

2. Mandatory vaccination will only use COVID-19 vaccines that receive full licensure from the Food and Drug Administration (FDA).

3. As of 8 September 2021, the local medical facility did not have record of your COVID-19 vaccination. As a result, and in accordance with the above paragraph, **I am ordering you to receive an initial dose of a COVID-19 vaccine with full licensure approval from the FDA AND provide proof by 3 October 2021. Additionally, you are ordered to receive the second dose of the same vaccine AND provide proof by 7 November 2021.**

- a. If you previously received the complete vaccination series but your military medical records do not reflect it, you are required to provide proof of vaccination by the date listed above.
- b. The due date above also applies to exemptions. This means you must provide either a completed request for a religious accommodation addressed to the AFRC Commander (delivered to me) or proof of a medical exemption approved by a military medical provider.

4. The Pfizer COVID-19 vaccine is not the only option available for complying with this order. Alternatively, you may choose to receive the two-shot Moderna COVID-19 vaccine or the single shot J&J COVID-19 vaccine. If you choose to receive the Pfizer or Moderna series vaccine, you must comply with the two deadlines listed above. If you choose to receive the J&J vaccine, you must comply with the first deadline listed above. It is YOUR responsibility to pay attention to these

timelines. A request (to me) for good cause for an extension to this order must be received in writing before the ordered due date.

5. If you have concerns about the COVID-19 vaccine, you have access to free advice and counseling through any of the installation agencies listed below. The completion dates listed above should provide a reasonable amount of time in which to coordinate.

- a. Medical Concerns – the base COVID-19 vaccination point of contact is Colonel Josphe Lawlor, 445 AMDS, 937-257-5200
- b. Legal Implications – the base Area Defense Counsel (ADC) can be reached at 257-7841. For additional legal questions, the 445 AW Judge Advocate General is Lt Col Ryan Albrecht, 445 AW/JA 937-257-3535
- c. Religious Objections – the base Chaplain's Office point of contact is Lt Col Brandon Stephens, 445 AW/HC, 937-257-0589

Failure to comply with this lawful order may result in administrative and/or punitive action for Failing to Obey an Order under Article 92, Uniform Code of Military Justice.
